Subject: Feedback from EPA in Michigan

Submitted on 01/01/2021 5:06PM Eastern Time

Comments: Protect the Great Lakes and our drinking water!!!!!! Please say no to Republic Services injection site requests. Who wants to drink garbage water? If you allow this to happen, our children and grand children will be. Please say no. Instead of adding longevity to a dump, let's show people how harmful their waste is and aim for cleaner products we use.
